TUNE IN TO THE SPORTSMAN CHANNEL

In 2007 we harvested our largest bucks to date by both firearm and bow. Melissa Bachman of North American Hunter harvested

this 202 inch monster with her bow in Dec after all the hunters had been through. Catch her show Tales of the Hunt on the sportsman's Channel on Tues June 24 at 5:30pm & Sun the 29th at 11am. David Castleberry of FL shot our biggest trophy to date, a 210. After missing twice on opening day David was all smiles

with his trophy buck. We also got a 195 and a 174 with the bow as well. Check out our website for other trophies taken at Golden Triangle and the new virtual tour of our lodge.

NEW ADDITIONS TO GOLDEN TRIANGLE WHITETAILS

This year we purchased an adjoining 220 acre all wooded tract in Pike county that we previously leased the past 3 seasons and had great

success. This brings us to almost 14,000 acres of prime hunting land that we are managing for trophy bucks. We also added another 50 gorilla treestands and 10 more scent free enclosed box blinds for our gun hunters bringing our total stands to nearly 700. With the added stands and extensive acreage we can accommodate any hunting situation

regardless of wind or deer movement. Our 350 acres of food plots are starting to grow very well after an abundance of rain this spring.

DEER DENSITY SURVEY COMPLETED FOR BROWN COUNTY

We have a 1.9 to 1 buck to doe ratio (including button bucks) and a deer density (as surveyed last fall by the Brown County Farm Service Agency) of 350 to 400 deer per square mile (640 acres) on farms that are 70% wooded. You can imagine there are plenty of trophies roaming our almost 14,000 acres.

We have a few openings left for the 08 season, however the permit deadline is quickly approaching. If you need any additional information or have further questions check us out at www.GoldenTriangleWhitetail.com or give us a call at 708-828-2378. We look forward to talking with you, and wish you the best of luck in your 2008 season.
